RECORD DANCE

Wednesday, July 8th, at 8:00 p.m., in the Recreation Building.

We were delighted at the response shown our first Juke Box Dance. Now crooners Sinatra, Como and Martin invite you once more to be their guests. They've promised an ample supply of COLD beer and coke and dancing until 1:00 a.m.

See you at the Recreation Building on Wednesday, July 8th at 8:00 p.m. (York Lane - Apartment Area). Admission free!!

WESTBURY MUSIC FAIR

Season Schedule: July 7 - July 12, SAY DARLING (Waly Cox); July 14 - July 19, PAL JOEY; July 21 - Aug. 2, BABES IN ARMS (Julie Wilson); Aug. 4 - Aug. 9, OKLAHOMA!; Aug. 18 - Aug. 23, CALL ME MADAM (Constance Bennett); Aug. 25 - Sept. 13, BELLS ARE RINGING (Jane Morgan); Sept. 15 - Sept. 20, CARMEN JONES.

You may order seats for any show during the season simply by reserving tickets through the Personnel Services office to take advantage of the 20% discount. For additional information call Personnel Services, Ext. 2107.

PROPERTY MANAGEMENT

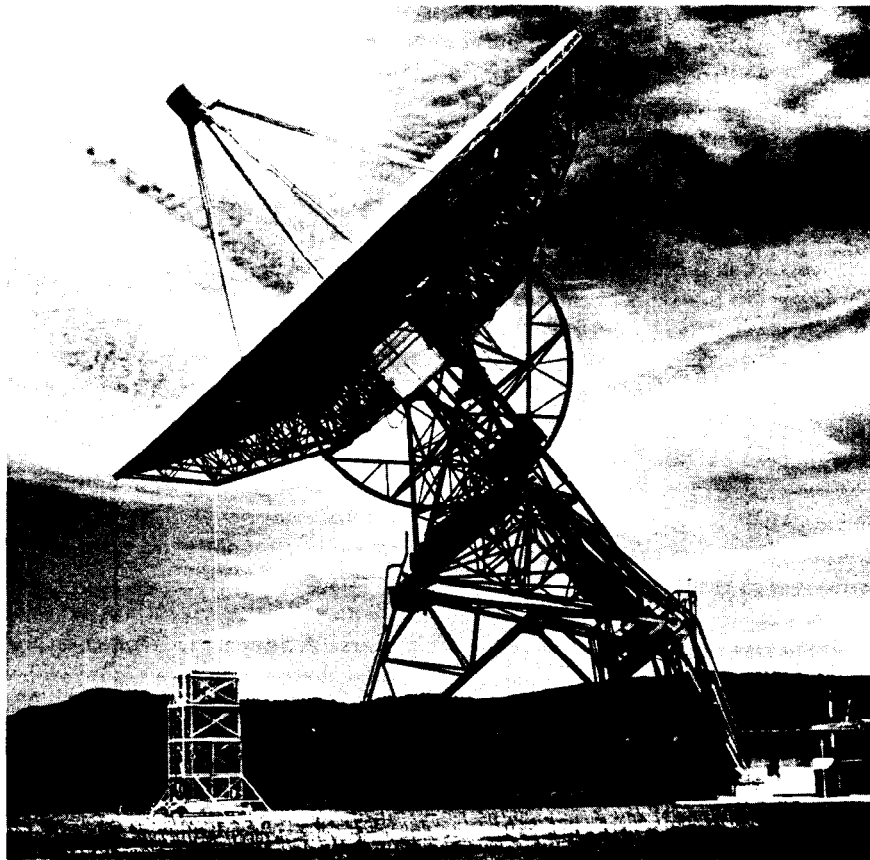

By a process of evolution, we have developed a new BNL # tag, illustrated above. It is easy to apply, easy to see, and hard to remove. In time, all capital equipment items will bear the new tag. We have asked the assistance of the property representatives in a re-tagging operation. —F.W. WALSH

THIRD CLASS MAIL RATE CHANGE

Minimum rate for odd size has been reduced from 6¢ to 3½¢.

—S.S. GARRETT, Postmaster

Pictured above is the new 85 foot radio telescope recently installed at the National Radio Astronomy Observatory, Green Bank, West Virginia.

It consists of a parabolic, solid-surface antenna, 85 feet in diameter, mounted and driven on two axes in such a way that it can point to and follow the motions of celestial objects. The accuracy of the reflector surface will allow reception at wave lengths as short as 3-cm. The telescope will be used for a wide variety of radio astronomical problems, including the study of 21-cm radiation from our galaxy and other galaxies, and the very short wavelength radiation from galactic and extra-galactic sources.

The Observatory is operated by Associated Universities, Inc. under contract with the National Science Foundation.

SWIMMING INSTRUCTION

Close to 200 employees' children have registered for our classes which get under way this week at the pool. A schedule of the group is posted at the swimming pool and at the gymnasium. Each child is scheduled once a week for a 1½ hour session. Classes start at 1:00 and end at 2:30.

It is requested you do not bring your children before 12:50. Children should await entrance to the pool in the area provided.

Lockers, soap and showers are available. Children should bring bathing suits and towels. Girls MUST wear swim caps.

POOL SCHEDULE

MONDAY - FRIDAY — 2:30 P.M. - 9:30 P.M.

BNL SOFTBALL

Due to the fact that I didn't get around to it, plus the lack of room in the BULLETIN BOARD the past two weeks, the records of the League Standings have just now been brought up to date. If any of the teams find any error in the following facts please call me, Ext. 481.

For the week of June 22nd, in the Brookhaven League, The Potsareebie-Derelict game was postponed. Health Physics defeated Medical by 19 to 4 and the Cosmotron Gnats game was called on account of rain.

For the same week in the National League, Grounds Maintenance beat the Phoubars by 6-5. The Thumpers took the Old Timers also by 6-5. And Metallurgy beat the Dirty Sox 10-6.

During the week of June 29th, the following action ensued. In the Brookhaven League the Cosmotron beat Health Physics 15-8. The Gnats took the Potsareebies 9-1 and Medical took the Derelicts 39-9 in a game that has been protested by the Derelicts.

In the National League the Dirty Sox beat the Old Timers 8-7. The Phoubars took Metallurgy 13-7 and the Thumpers thumped Grounds Maintenance 13 6.

I have no records of any make up games played if there were any. Please advise.

TURKEY SHOOT

The Rifle Club will hold it's First Turkey Shoot at B.N.L.'s Pistol Range. The time will be from 5:15 to 8:00 p.m.

The date is Wednesday, July 8th. Shotguns, 12 gauge, full-choked, will be there for use. Those who want to use their own 12 gauge shotguns may bring them. The ammunition that will be supplied is 6 field grade and the targets are turkey outlines with a bull in the center. Scoring will be based on the amount of pellet holes in the bull. Ties will be shot out at no extra cost to shooters.

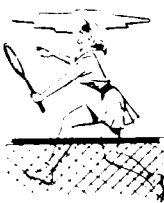

There will be prizes for the top three scorers. A door prize (frozen turkey) will be drawn the same night (winner need not be present). Donation is fifty cents (50¢). This entitles you to one (1) chance at door prize and one (1) shot at a target. Extra chances at new targets, for better scores will be allowed after majority present have had their first shot. 12 gauge trap thrower, birds and ammo will be available and .22 caliber skeet gun with thrower, birds and ammo, for all those interested in extra shooting.

The first Pistol Meet will be held at 5:15 p.m. on Thursday, July 9 at B.N.L. Following Pistol Meet the regular club meeting will be held at the Recreation Hall at 8:30 p.m., Thursday, July 9.

SQUARE DANCE

Once again there will be dancing to the music of our ever-popular combination "THE FEARSOME FOURSOME". Dancing will begin at 8:30 p.m. If it's fun, entertainment, socializing or just plain exercise you are looking for this is the affair for you. Besides it's FREE!! Wednesday - July 15th - Recreation Building.

TENNIS ANYONE?

The 1959 BNL Tennis Tournament is about to get under way. Entries are now being accepted. Contests will be held in men's singles, ladies' singles, doubles and mixed doubles if enough entries are forthcoming. Competition will start the week of the 20th.

Deadline for entries will be Thursday July 16th.
